श्री महाविद्या मंदिर, मथुरा

Palagan.com..... The journey so far.

The year was 2003, Facebook was yet to be launched and Twitter was not even conceived, a group of Chaturvedi community members decided to have a platform which is modern in its approach and traditional in content. The challenge was to match the growing aspirations of the community which was future ready. On 29 December 2003 the domain was registered which reflected both modernity and tradition. Initially it was focused at just providing contact details of Chaturvedi members. Gradually many more features were added like Searchable directory, personal page for each member with brief biography, cultural heritage of the community in audio visual form. The site was liked immensely by the members and viewership hits soon reached in lakhs.

The idea behind this initiative was further advanced by organising a hugely successful cultural program by community members in 2013 and 2015. Various talents in the field of art and culture were felicitated. To make our ancient scriptures reach every community household, free distribution of audio CDs containing all four Vedas was done in Delhi.

In 2016 a new version of the web site is launched with the aim of increasing people to people contact among community members through secured login and facility for one to one messaging among members.

Many more such initiatives are planned to be taken up on website in future like

Matrimony service,

Online astrological consultancy,

Digital archival of our village heritage,

Online list of blood donors for community members,

Organ donors for community,

Online Sanskrit teaching,

Career counselling on request from experts in community,

Promotion of community B-n-B service for those who wish to share their premises with community members visiting their town on terms of their choice, etc.

Although 2003 sounds like a distant past but it feels as the journey has just begun. We look forward to your active participation in building this great movement through content creation, art work, IT skills or just social networking. Calling upon all youth and like-minded to come forward and join this movement.

FORWARD

Bandhuvar,

We bring you this edition of All India Chaturvedi Directory through our website www.palagan.com.

One of the objective of Palagan.com is to facilitate Communication and Connectivity amongst Mathur Chaturvedis. For this purpose Palagan.com has been collecting and compiling information about Chaturvedi families, their addresses, mobile nos., e-Mail Id etc. Details of more than three thousand families are already available on Palagan.com website. Our aim is to enlist all Chaturvedi families which are estimated about ten thousand all over the country. This can be possible only if we all cooperate and provide requisite details so as to enable to prepare a comprehensive All India Chaturvedi Directory

You are requested to register on palagan.com , enter your name and other details in the Directory available on the website and also request your relatives and other Chaturvedis in your circle to do so.

As a first step Directory of DELHI NCR and Uttarakhand is provided herewith. A lot of efforts have gone in to its publication. We have received inputs and cooperation from all for this Directory. It is hoped that our Bandhav will make full use of this. Your Valuable comments and suggestion are welcome.

Ashok
(Bijkauli)

We also organize socially relevant and content rich events from time to time besides running the website for Chaturvedi community. Publication of this directory is an effort in the same direction. It is to be followed by many more such listings in various professional and regional groupings. We urge the members of the community to collaborate with us in this effort financially, materially, technically or just administratively also. To contribute financially to help us in this effort you may use below mentioned PayTM QR code to remit payments to us. The name of all collaborators who have funded this project will be published on our website periodically.

Hoping for your continued support to serve the community.

Man Behind the Mission

Ashok ji Chaturvedi
(BijKauli / Delhi)

Team palagan is indebted to Ashok ji for his tireless and painstaking efforts to bring this volume of Chaturvedi Directory to light. Each entry in this directory has been meticulously vetted by Ashokji. He is a constant source of inspiration to all of us. This volume is also a token of our appreciation for a valiant fight he is giving to a sudden phase of indisposition which, we all believe, he will conquer very soon. We the members of Team Palagan wish him a speedy recovery.

ACKNOWLEDGEMENTS

॥ ग़ज़ल ॥

मैं जिसे ओढ़ता बिछाता हूँ, वो ग़ज़ल आपको सुनाता हूँ।
एक मंजर है तेरी आँखों में, मैं जहाँ राह भूल जाता हूँ॥

तू किसी रेल सी गुज़रती है, मैं किसी पुल सा थर-थराता हूँ।
एक बाजू उखड़ गया जबसे, और ज्यादा वज़न उठाता हूँ॥
